Obtaining warranty service

Subject to the provisions above you are entitled to service with respect to the Package with the following terms and conditions:

1. Claims will only be honoured if made within the Period.
2. Before making a claim please review the Technical Support section of this document
3. If you have problems please contact the Company by phone and your assistance will be required in running any diagnostic tests the Company may feel suitable to ascertain where the problem with the Package lies. This will help in reducing the number of ‘no defect found’ problems in our service center.
4. Where a diagnostic test by phone identifies one component is at fault the Company will send – by post or courier at the Company’s expense – a replacement part.
5. Where a diagnostic fault determines that an upgrade of software is required then the Company reserves the right to ship this using email.
6. Where it is not possible to determine the fault and repair it remotely then the Package will need to be returned – at no cost to the Company – to the Company. Please provide proof of purchase and serial numbers for any parts of the Package.
7. The company will determine the fault with all returned Packages.
8. Where returned Packages are found to be defective in materials or workmanship then the Company will replace or repair the Package at its own expense, and will reimburse for any postal or courier expenditure incurred in sending defective Packages back to the Company.
9. Where no fault is found with returned Packages the Company reserves the right to make a reasonable charge to compensate the Company for the time taken to service the Package.
